\* *Wingit Compatible (wingits sold separately)*

Wave  
Grab Bar  
24"

### Application Use:

Architectural

Commercial

Institutional

Residential

### Specifications

The Wave Grab Bar is manufactured using high quality 18 gauge 1.25" diameter 304 stainless steel. Convenient mounting flange post with set screws allow for easy flange access during installation yet preserving the clean finished look of the concealed flange cover. Using a wingit compatible flange base and 5 optional screw hole ports makes locating on a stud or hollow wall even easier than ever. 4 hollow wall togglers included with every bar. The Bilanx Bath Collection is designed, built, and tested to 500lbs exceeding HUD, FHA, VA, ADA, ANSI and other federal, provincial, and local codes. \*Grab Bars can only be as strong as what they are mounted to. It is imperative when installing any safety product to consult with a qualified contractor to insure you have sufficient backing.

### The Bilanx Bath Collection

All Wave Grab Bars ship complete with easy to follow instructions, mounting hardware for stud framing & hollow walls. The Bilanx Bath Collection has been designed, built, and tested to 500lbs. The Wave Grab Bar comes in 3 standard finishes and is available in either a right hand or left hand orientation.

Also available in 18" & 36" (see HH-2070 & HH-2090)

Easy to mount flange!  
3 Set Screws on post allow pre-mounting  
to the wall before attaching the bar.

Dimension tolerances +/- 3/16"
