Bilanx 54" Linear grab bar.

Linear grab bar

"The shortest distance between any two points..." is a clean, undeviating, linear bar. Mounted vertically, horizontally, or at an angle, the Linear bar provides support with classic design.

Product note: the 54" linear bar can serve as a wall to wall horizontal railing along the back wall of a 60" tub or shower alcove.

Linear bar finish options:

Polished Brushed Bronze Matte Black

HH-2354MB MATTE BLACK

Easy to mount flange!
3 Set Screws on post allow pre-mounting to the wall before attaching the bar.

Specifications

The Bilanx Linear grab bar is manufactured using high quality 18 gauge 1.25" diameter 304 stainless steel. The convenient mounting flange post with set screws allow for easy flange access during installation yet preserve the clean finished look of the concealed flange cover. It is preferable to use the 2" wood screws to mount the flanges to wood blocking. The Bilanx Linear grab bar has been tested up to 500lbs exceeding HUD, FHA, VA, ADA, ANSI, and other federal, provincial, and local codes.

All Linear grab bars ship complete with easy to follow instructions, mounting hardware for stud framing.
