

VERTICAL COVER TECHNICAL SPECIFICATION

Job Name _____	Item # _____
Location _____	
Engineer _____	Contractor _____
PO # _____	Tag _____
Representative _____	

DESCRIPTION

The Linear Drain covers are made of 304 stainless steel and can be used with Showerline and ProLine linear drains. They shall have the ability to be cut on site to fit the exact finished opening and have height adjustability with the use of spacers. PVD coating shall be used for Brushed Gold, Polished Gold, Polished Black, Oil Rubbed Bronze, and Polished Rose Gold covers, whereas Powder Coating shall be used for Matte Black covers.

NOTES

QuickDrain recommends that the cover extends the full width of the shower from vertical-to-vertical surface (wall to wall or wall to curb).

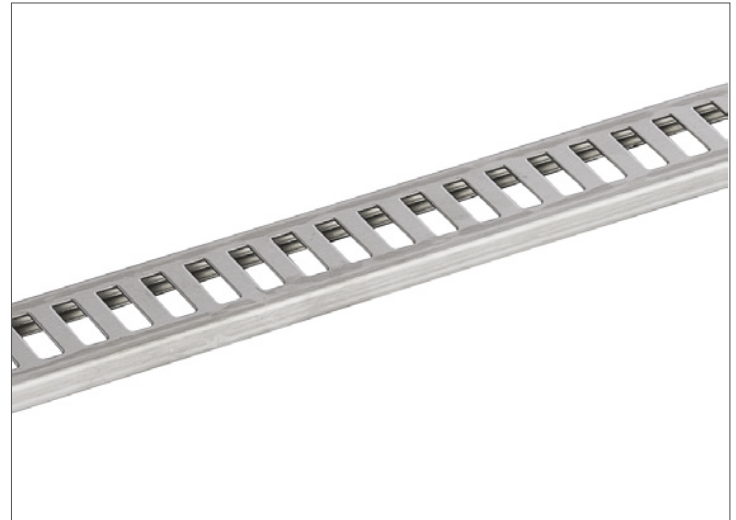

Do Not grout or caulk the cover in place (cover must remain removable for maintenance).

Reference Care and Maintenance Steps in Install Guide

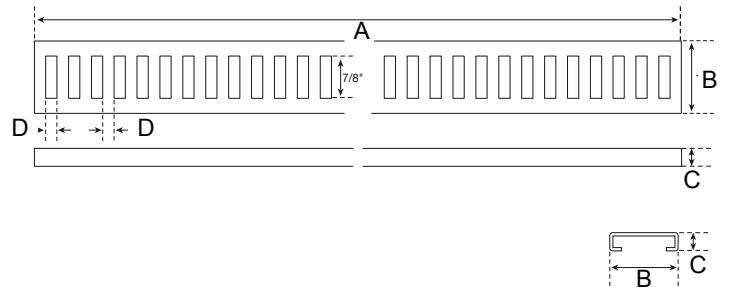

Cover comes in lengths 18"-72" in both Brushed and Polished Stainless Steel. Only available in 18"-56" for Specialty Finish Options.

APPROVALS AND LISTINGS

Before installing QuickDrain USA system, check with your local building department/plumbing inspector to ensure compliance with the local building codes. QuickDrain USA LLC is not responsible for any conflicts with local building codes. QuickDrain USA LLC is not responsible for improper installation of any part of the assembly or the waterproofing membrane. Dimensions are subject to manufacturer's tolerance and can change without notice.

Drain Assembly
